**Stop taking Satan's bait of
doubt, fear and anxiety!
Instead, live confidently,
Trusting Christ's eternal security.**

1. Are you willing to stand up to the peer pressure of the world confidently trusting God's word in faith? You have been called to be a witness and more than an overcomer through Him who is the foundation of our faith.
2. Death may be an inevitable reality of this broken world but is not the ultimate reality in God's kingdom. How does your life show that you are willing to live this life relying on Christ's eternal security knowing the best is yet to come?
3. When the devil attacks you with lies or temptations, prayer is the shield of faith that extinguishes his flaming arrows (Ephesians 6:16). Pray today so that you may stand firm today and tomorrow.
