

**DFBC Jubilee: See what only God can do!
Romans 8:28-39**

Why can we live confident lives in an uncertain world?

Followers of Jesus Christ can live lives of victorious confidence because...

1. God has a plan that cannot fail: foreknown, predestined, called, justified, glorified Rom. 8:28-30 (Psalm 4:8).
2. God has already accomplished what only he can do: The gift of the Son before the brokenness of the world Rom. 8:31-34 (Psalm 44:22).
3. God has a love no one can overcome Romans 8:35-39.

**Followers of Jesus may live with confidence in an uncertain world
Because their confidence does not ultimately rest on who they are and what they can do
but on who God is and what he has done.
Be grateful for the past and hopeful for the future!**

1. When you look at the past, do you feel nostalgic and depressed or grateful and content? If you have been justified by faith in God's Son, you are just one step away from glorification! Why don't you reflect on your own journey and thank the Lord for his mercies in your life today?
2. When you look at the future, do you feel fearful and anxious or hopeful and encouraged? Because God has already given us his Son, our future in Christ is bright. There is nothing but glory in the eternal future of those who confidently abandon themselves to the all-sufficient love of God in Christ. Why don't you ask the Lord to fill you with all hope by the power of his Holy Spirit? (Romans 15:13).
