

**Redemption 101: From Adam and Eve to Abraham and Sara- Faith  
Genesis 3:15, c. 15**

**How does God rescue and restore what sin has damaged and destroyed?  
God's plan to rescue and restore what sin has damaged and destroyed invites us to...**

- I. Receive his promise of blessing in spite of our failures: The Word Genesis 3:14-15.**
  - a. His promise is a word.
  - b. His Word is a person.
  
- II. Receive his provision in spite of the insufficiency of our merits: Grace Genesis 3-11.**
  - a. Grace: God gives us the good we don't deserve and does not give us the punishment we deserve at his cost.
  - b. Grace: the God who freely turns nobodies into somebodies: Adam and Eve (3:15), Cain and Abel (4:11-15), Noah (6:1-8), Babel (c. 11), Abram and Sarai (Genesis 12-15).
  
- III. Respond by entrusting our impossible needs into his capable hands: Faith Genesis 15-122.**
  - a. Our impossible needs: life as a gift not an entitlement (Gen. 15:18-21).
  - b. The God who makes our impossible possible: The Word becoming flesh to die so that we may live Gen. 18:9-15, Luke 1:35-37, Matthew 19:25.

**To choose life, we must trust that through his Word, God can give us the life we cannot  
achieve by his grace,  
if we just believe what only he has done.**

1. What are some obstacles that seem impossible to overcome for you to experience the life God promises in his Word?
2. What has God already graciously provided for you to become the person that God wants you to be? Are you willing to receive his grace and ask for his help under his terms not yours?
3. God gives us the promise of life by his Word and the grace to receive it. The only thing he desires from us is faith. Faith is entrusting our impossible needs into his capable hands. What impossible needs does God want you to entrust to him today?
