

**Home Renewal: This world is not my home
Exodus 1**

Where is God in the long-journey of ups and downs of prosperity and adversity?

God's providential presence in the midst of...

- I. Prosperity, prepares his people to fulfil his promises Exodus 1:1-7.**
 - a. Promise: the covenant with Abraham cf. Genesis 15:13-14.
 - b. Provision: fruitful and faithful to bless all mankind cf. Genesis 50:15-26.

- II. Adversity, refines his people's faith to receive his salvation Exodus 1:8-22.**
 - a. Peril: from threat to death and civil disobedience.
 - b. Protection: God's hand when we can't see it v. 17,20.

**Prosperity and peril are two sides of the same coin that God providentially allows to
prepare his people for the fulfillment of his plan
Thank God in prosperity and trust God in adversity.**

- 1. Are you experiencing a season of prosperity? How are you using your resources to secure a strong and godly legacy for present and future generations?**
- 2. Are you experiencing a season of adversity? How is God using this adversity to refine your faith and to deliver you from the oppression of this world?**
