

**What are we waiting for?
Time to Walk the Talk: Mature to Multiply
Colossians 2:6-7**

If God has called DFBC to be a disciple-maker multiplying church, what are we waiting for?

Disciple-maker multiplication takes time because in order to multiply, disciples must reach maturity in their personal and congregational...

- I. Life-long journey of faithful worship commitment to Christ: As you received Christ Jesus as Lord - Be with him (Col. 2:6, Mark 3:14).
- II. Life-changing journey integrating God's talk into their individual and collective walk: walk in him, rooted, built up, established - Be like him (Col. 2:6-7).
- III. Life-giving journey overflowing with gratitude: abounding in thanksgiving - Love like him (Col. 2:7).

**In the Journey, Christ patiently gives us his time
so that we may mature to multiply.
Is 2026 the year when our 80-year-old church will realize
this is what we have been waiting for all of our life?**

1. Have you received Christ as Lord? This is the first step in your journey. If you have not taken this step. Check out the video in ineednew.lfe or talk to one of our ministers today.
2. Are you ready to walk the talk? To grow as a disciple, you need the word of God and a community to encourage you to obey his commandments. If you don't have a regular rhythm of Bible reading and prayer, Remain is a great option for you. If you don't have a Journey group yet, this is the year where God wants you to stop walking alone and join the journey in community.
3. Are you ready to love like Jesus loves? God wants us to join him in the joy of life-giving through our grateful generosity as we share the gospel with others with our words and our works.
